Date: January 29, 1974
Item No.: WH #3

DIRECTOR: WHITE HOUSE SITUATION ROOM

SUBJECT: MIDDLE EAST--THE MILITARY SITUATION

REF:

25X1

The Middle East apparently was quiet on January 28 and no significant incidents were reported. Heavy firing began in the Egyptian Third Army area on the west bank of the canal shortly after the announcement that the Suez to Cairo road was open to Egyptian traffic. The Egyptian troops apparently were celebrating their first unrestricted contact with their own forces.
